Town Board

Lancaster, N.Y. 14086

Dear Town Board Members:

I read with great interest in the Lancaster Bee last week that the Lancaster Town Board was considering and in preliminary stages of gathering information helpful toward acquiring additional parklands at 00 Lake Avenue in Lancaster.

I want to add my whole hearted support and that of the other members of our Board of Directors, of the Lancaster Lax Association, Inc., encouraging the Town Board's continued consideration and pursuit of additional green space in the town.

We have been very fortunate to be able to use the athletic field at the William Street School for our outdoor programs since we began them in 2002. We appreciate the support we have received from both the school district and the Town's Recreation Department. Without that support, we could not have been able to provide this activity to the town's youth.

While we may have a much smaller player base compared with Lancaster-Depew Soccer, the nice thing is our playing field needs approximate the same size, so such fields become multifunctional. Our summer league sessions have between 100-140 players and we also have two travel teams with approximately 50 players.

My understanding is the parcel being considered approximates 42 acres. Hopefully, much of the acreage is usable for recreation purposes and laying out some lacrosse and soccer fields. We presently have two full sized fields (110 yards long and 60 yards wide) and one youth sized field (70 yards long and 40 yards wide) at William St.

If we had a wish list, we would include a boarded field that could be used for our adult mixed league and further down the road, the addition of a building large enough to house a couple of for indoor lacrosse instruction and games that could also be used by soccer for similar purposes.

Sincerely,

Brian E. Lind

**Re: No Parking Designation**
**Eastern Terminus, Hidden Meadow Crossing**
**Hidden Meadow Subdivision, Phase I**
**Town of Lancaster, Erie County, New York State**

To the Honorable Town Board,

We anticipate that the first homes in the first phase of Hidden Meadow Subdivision will be complete and occupied, early this fall. The first several homes will be occupied by families with school age children who will need bus transportation to and from the schools. We have been in contact with the Transportation Department of the Lancaster Central School District and have been told that busses will serve the neighborhood provided that parking be posted similar to the way it is at the terminus of Silent Meadow in our nearby Hidden Pines Subdivision neighborhood, off of the east side of Aurora Street.

Accordingly, we are requesting that the eastern terminus and turnaround be posted such that there is no parking at the very end of the street when school is in session and school busses need unencumbered access to the turnaround.

We realize that some coordination is required between the Town and School District departments, but for the moment, we still need parking on the street for construction workers who are working diligently to finish these homes on schedule. Ideally the street can remain unposted until the first Certificates of Occupancy are issued.

Thank you for your time and consideration with respect to this issue, which is very important to the residents who will soon be living in this new neighborhood.

Respectfully,

Dear Supervisor Coleman and Honorable Council Members:

The Town of Lancaster Parks, Recreation and Forestry Department is requesting that the Town Board accept the donation from Lancaster Jr. Redskins Football of a set of NCAA football goal posts for Walden Pond Park. These goal posts, valued at $5,000.00 will greatly add to the enjoyment of those using the park, as well as to the Jr. Redskins, who use Walden Ponds as their home field for league games.

Due to the delicate nature of installing these goal posts, I respectfully request a resolution be prepared to authorize Armor Fence, P.O. Box 745, Orchard Park, NY 14127 to do the installation at a cost of $4,438.00. Armor Fence has installed football goal posts before in WNY, and we have the utmost confidence in their ability to do this job. Armor Fence will forward all the necessary paperwork needed before the start of the project. Funding for this project will be taken out of the recreation filing fees.

The Town of Lancaster Parks, Recreation and Forestry Department thanks the Jr. Redskins football organization for their donation to the Walden Pond Park and to the Town of Lancaster. If you have any questions or concerns, please contact me at your convenience.

Dear Supervisor Coleman and Honorable Council Members:

The Town of Lancaster Parks, Recreation and Forestry Department is requesting that the Town Board accept the donation from Lancaster Depew Soccer Club of a ball restraining system for the turf soccer field at Westwood Park. This donation is valued at $8,500.00.

I respectfully request a resolution be prepared to authorize Iroquois Fence, 51 North American Dr, West Seneca, NY 14224, to do the installation at Westwood Park at no cost to the Town. The donation includes all material and labor needed for the installation of the above netting. Iroquois Fence will supply all necessary insurance and paperwork to the Town.

Additionally, in order for the installation to occur, the Town needs to enter into an encroachment agreement with National Fuel. This agreement is needed as there is an easement at the west end of the field where the posts and netting will be installed. Therefore, I request a resolution allowing the Supervisor to execute the attached agreement.

If you have any questions or concerns, please contact me at your convenience.

# ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – AUTOMATIC STATUS WHEN REQUIRED IN CONSTRUCTION AGREEMENT WITH YOU

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. Paragraph 2. under **Section II – Who Is An Insured** is amended to include as an insured any person or organization whom you have agreed to add as an additional insured in a written contract or written agreement. Such person or organization is an additional insured but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions or the acts or omissions of those acting on your behalf in the performance of your ongoing operations for the additional insured that are the subject of the written contract or written agreement provided that the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement.

A person's or organization's status as an additional insured under this endorsement ends when:

a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

b. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

The insurance provided by this endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage".

We have no duty to defend an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured as required in Paragraph b. of Condition 2. **Duties In the Event Of Occurrence, Offense, Claim Or Suit** under **Section IV – Commercial General Liability Conditions**.

B. With respect to the insurance provided by this endorsement, the following are added to Paragraph 2. **Exclusions** under **Section I – Coverage A – Bodily Injury And Property Damage Liability**:

This insurance does not apply to:

1. "Bodily injury" or "property damage" arising from the sole negligence of the additional insured.
2. "Bodily injury" or "property damage" that occurs prior to you commencing operations at the location where such "bodily injury" or "property damage" occurs.
3. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
   a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
   b. Supervisory, inspection, architectural or engineering activities.
4. "Bodily injury" or "property damage" occurring after:
   a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
   b. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.
5. Any person or organization specifically designated as an additional insured for ongoing operations by a separate **Additional Insured – Owners, Lessees Or Contractors** endorsement issued by us and made a part of this policy.

C. The limits of insurance applicable to the additional insured are those specified in a written contract or written agreement or the limits of insurance as stated in the Declarations of this policy and defined in Section III – Limits Of Insurance of this policy, whichever are less. These limits are inclusive of and not in addition to the limits of insurance available under this policy.

D. With respect to the coverage afforded by this endorsement, Section IV – Commercial General Liability Conditions is amended as follows:

1. The following is added to Paragraph 2. Duties In The Event Of Occurrence, Claim Or Suit:

   An additional insured under this endorsement will as soon as practicable:

   a. Give written notice of an "occurrence" or an offense, that may result in a claim or "suit" under this insurance to us;

   c. Agree to make available any other insurance which the additional insured has for a loss we cover under this Coverage Part.

   d. We have no duty to defend or indemnify an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured.

2. Condition 4. Other Insurance of Section IV – Commercial General Liability Conditions is amended as follows:

   a. The following is added to Paragraph a. Primary Insurance:

   If an additional insured's policy has an Other Insurance provision making its policy excess, and you have agreed in a written contract or written agreement to provide the additional insured coverage on a primary and noncontributory basis, this policy shall be primary and we will not seek contribution from the additional insured's policy for damages we cover.

   b. The following is added to Paragraph b. Excess Insurance:

   When a written contract or written agreement, other than a premises lease, facilities rental contract or agreement, an equipment rental or lease contract or agreement, or permit issued by a state or political subdivision between you and an additional insured does not require this insurance to be primary or primary and non-contributory, this insurance is excess over any other insurance for which the additional insured is designated as a Named Insured.

Dear Supervisor Coleman and Honorable Council Members:

The Town of Lancaster Parks, Recreation and Forestry Department is requesting that the Town Board accept the donation from Lancaster Depew Soccer Club of a ball restraining system for the turf soccer field at Westwood Park. This donation is valued at $8,500.00.

I respectfully request a resolution be prepared to authorize Iroquois Fence, 51 North American Dr, West Seneca, NY 14224, to do the installation at Westwood Park at no cost to the Town. The donation includes all material and labor needed for the installation of the above netting. Iroquois Fence will supply all necessary insurance and paperwork to the Town.

Additionally, in order for the installation to occur, the Town needs to enter into an encroachment agreement with National Fuel. This agreement is needed as there is an easement at the west end of the field where the posts and netting will be installed. Therefore, I request a resolution allowing the Supervisor to execute the attached agreement.

If you have any questions or concerns, please contact me at your convenience.

Respectfully submitted,

Mark D. Lubera

# ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – AUTOMATIC STATUS WHEN REQUIRED IN CONSTRUCTION AGREEMENT WITH YOU

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. Paragraph **2.** under **Section II – Who Is An Insured** is amended to include as an insured any person or organization whom you have agreed to add as an additional insured in a written contract or written agreement. Such person or organization is an additional insured but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions or the acts or omissions of those acting on your behalf in the performance of your ongoing operations for the additional insured that are the subject of the written contract or written agreement provided that the "bodily injury" or "property damage" occurs, or the "personal and advertising injury" is committed, subsequent to the signing of such written contract or written agreement.

A person's or organization's status as an additional insured under this endorsement ends when:

a. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or

b. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

The insurance provided by this endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage".

We have no duty to defend an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured as required in Paragraph b. of Condition **2. Duties In the Event Of Occurrence, Offense, Claim Or Suit** under **Section IV – Commercial General Liability Conditions.**

B. With respect to the insurance provided by this endorsement, the following are added to Paragraph **2. Exclusions** under Section **I – Coverage A – Bodily Injury And Property Damage Liability**:

C. The limits of insurance applicable to the additional insured are those specified in a written contract or written agreement or the limits of insurance as stated in the Declarations of this policy and defined in **Section III – Limits Of Insurance** of this policy, whichever are less.    If an additional insured's policy has an Other Insurance provision making its policy excess, and you have agreed in a written contract or written agreement to provide the additional insured coverage on a primary and noncontributory basis, this policy shall be primary and we will not seek contribution from the additional insured's policy for damages we cover.

   b. The following is added to Paragraph **b. Excess Insurance**:

   When a written contract or written agreement, other than a premises lease, facilities rental contract or agreement, an equipment rental or lease contract or agreement, or permit issued by a state or political subdivision between you and an additional insured does not require this insurance to be primary or primary and non-contributory, this insurance is excess over any other insurance for which the additional insured is designated as a Named Insured.

   Regardless of the written agreement between you and an additional insured, this insurance is excess over any other insurance whether primary, excess, contingent or on any other basis for which the additional insured has been added as an additional insured on other policies.

# ADDITIONAL INSURED – AUTOMATIC STATUS WHEN REQUIRED IN CONSTRUCTION AGREEMENT WITH YOU – CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. Paragraph 2. under **Section II – Who Is An Insured** is amended to include as an insured any person or organization whom you have agreed to add as an additional insured in a written contract or written agreement. Such person or organization is an additional insured but only with respect to liability for "bodily injury" or "property damage":

1. Caused by "your work" performed for that additional insured that is the subject of the written contract or written agreement; and
2. Included in the "products-completed operations hazard".

The insurance provided by this endorsement applies only if the written contract or written agreement is signed prior to the "bodily injury" or "property damage".

We have no duty to defend an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured as required in Paragraph b. of Condition 2. **Duties In The Event Of Occurrence, Offense, Claim Or Suit** under **Section IV – Commercial General Liability Conditions.**

B. With respect to the insurance provided by this endorsement, the following are added to Paragraph 2. **Exclusions** under **Section I – Coverage A – Bodily Injury And Property Damage Liability:**

This insurance does not apply to:

1. "Bodily injury" or "property damage" that occurs prior to you commencing operations at the location where such "bodily injury" or "property damage" occurs.
2. "Bodily injury" or "property damage" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services including:
   a. The preparing, approving or failure to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawing and specifications; and
   b. Supervisory, inspection, architectural or engineering activities.

C. The limits of insurance applicable to the additional insured are those specificied in a written contract or written agreement or the limits of insurance as stated in the declarations of this policy and defined **Section III – Limits of Insurance** of this policy, whichever are less. These limits are inclusive of and not in addition to the limits of insurance available under this policy.

D. With respect to the insurance afforded by this endorsement, **Section IV – Commercial General Liability Conditions** is amended as follows:

1. The following is added to Paragraph 2. **Duties In The Event Of Occurrence, Offense, Claims Or Suit:**

   An additional insured under this endorsement will as soon as practicable:

   a. Give written notice of an "occurrence" or an offense that may result in a claim or "suit" under this insurance to us;
   b. Tender the defense and indemnity of any claim or "suit" to all insurers whom also have insurance available to the additional insured; and
   c. Agree to make available any other insurance which the additional insured has for a loss we cover under this Coverage Part.
   d. We have no duty to defend or indemnify an additional insured under this endorsement until we receive written notice of a "suit" by the additional insured.

© 2011 Liberty Mutual Insurance Company. All rights reserved.
Includes copyrighted material of Insurance Services Office, Inc., with its permission.

B. Paragraph 1.a. of Section I – **Coverage B Personal And Advertising Injury Liability** is replaced by the following:

1. **Insuring Agreement**

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "personal and advertising injury" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages even if the allegations of the "suit" are groundless, false or fraudulent. However, we will have no duty to defend the insured against any "suit" seeking damages for "personal and advertising injury" to which this insurance does not apply. We may, at our discretion, investigate any offense and settle any claim or "suit" that may result. But:

(1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and

(2) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A and B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

C. The following is added as Paragraph e. to the **Duties In The Event Of Occurrence, Offense, Claim Or Suit** Condition (Paragraph 2. of **Section IV – Commercial General Liability Conditions**):

e. Notice given by or on behalf of the insured, or written notice by or on behalf of the injured person or any other claimant, to any agent of ours in New York State, with particulars sufficient to identify the insured, shall be considered to be notice to us.

D. Paragraph 3. of **Section IV – Commercial General Liability Conditions** is replaced by the following:

3. **Legal Action Against Us**

a. Except as provided in Paragraph **b.**, no person or organization has a right under this Coverage Part:

(1) To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or

(2) To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

b. With respect to "bodily injury" and "personal and advertising injury" claims, if we deny coverage or do not admit liability because an insured or the injured person, someone acting for the injured person or other claimant fails to give us written notice as soon as practicable, then the injured person, someone acting for the injured person or other claimant may bring an action against us, provided the sole question is whether the denial of coverage or nonadmission of liability is based on the failure to provide timely notice.

However, the injured person, someone acting for the injured person or other claimant may not bring an action if within 60 days after we deny coverage or do not admit liability, we or an insured:

(1) Brings an action to declare the rights of the parties under the policy; and

(2) Names the injured person, someone acting for the injured person or other claimant as a party to the action.

E. The following provision is added and supersedes any provision to the contrary:

Failure to give notice to us as required under this Coverage Part shall not invalidate any claim made by the insured, injured person or any other claimant, unless the failure to provide such timely notice has prejudiced us. However, no claim made by the insured, injured person or other claimant will be invalidated if it shall be shown not to have been reasonably possible to give such timely notice and that notice was given as soon as was reasonably possible thereafter.

F. The definition of "loading or unloading" in the **Definitions** Section does not apply.

Dear Mr. Loftus:

**SEQR Agency Designation**
**Innes Storage Yard #7044**
**140 Pavement Road**
**Town of Lancaster, Erie County**

This is to acknowledge receipt of your letter dated June 21, 2017 which included a site plan, a short Environmental Assessment Form, and an application. The Department is not an involved agency and has no comments regarding the proposed project. The Department agrees that the Town of Lancaster should act as the SEQR Lead Agency. Please note the following:

It was noted on the Federal Emergency Management Agency's (FEMA) FIRM Map No. 3602490005C that the site is located within the designated 100-year floodplain. The proposed project should be designed in accordance with all applicable local municipal laws for flood damage reduction.

We concur that the Town of Lancaster should act as SEQR Lead Agency, since the environmental impacts of the proposal are primarily of local significance. Thank you for providing this office the opportunity to review the proposal. If you have questions, please contact me at 716/851-7165.

Sincerely,

David S. Denk

I wish to withdraw my request for appointment to the Zoning Board. I submitted my letter with the expectation of doing some good for my Town. I have over 30 years experience with my previous position with Erie County Department of Environment and Planning and a degree as a Para Legal. I truly thought the position was Volunteer as my previous positions in the Town of Hamburg Community Development. After realizing there was a conflict with my appointment it became obvious that things were not as I believed and politics were an issue. Thank You for any future considerations as I do enjoy living in Lancaster.

RE: Designation of Lead Agency
Re-Zone of 00 Walden SBL #94.17-1-49
(T) Lancaster

Dear Mr. Loftus:

Regarding your letter of June 7, 2017, the ECDOH has no objections to the Town of Lancaster being Lead Agency in regard to the above referenced project.

Please be advised that because the project includes a sanitary sewer connection, approval from ECDOH is likely required, depending on the design flows of the project. Approval of the sanitary sewer connection is required under our agreement with NYSDEC if the project's design flows are greater than 2500 gallons per day. Please make the applicant aware of this requirement.

Also note that we did not receive the Environmental Assessment Form that was to be included in the mailing.

If there are any questions, please contact me at 716-961-6832.

Sincerely,
