Re: Extra Capacity sticker

Beginning on May 7, 2020, the Extra Capacity sticker can be purchased at The Town Clerks Office for \$3.00 each. This is a reduction from the previous cost of \$5.00 each and was confirmed with Waste Management not to have an adverse effect. The sticker can be affixed to a 30 gallon bag of grass clippings that does not weigh more than 40 pounds. The tag can as always be used for normal household garbage that is not recyclable and does not fit in your cart. Only non-food waste is permitted in Extra Capacity stickered bags.

This change is to assist the residents that have found they have additional garbage and yard waste that does not fit into their garbage cart. This is an option instead of the purchase of an additional garbage cart.

Thank you for your support in assisting our residents in this matter.

Best regards,
