

The Town's beautiful Memorial Garden is located in the picturesque setting of Westwood Park. This garden provides a peaceful place for quiet meditation and enjoyment of its natural beauty.

The garden is nestled overlooking a 3 acre pond. This setting was enhanced with the addition of a variety of shrubbery and perennials. It has been designed to be a place of solitude, comfort and reflection.

"Study nature, love nature, stay close to nature. It will never fail you."

~ Frank Lloyd Wright
