Bulky Waste

You may place your bulky items on the curb the 2nd full week of each month. Please see the Collection Calendar on the inside panel for Bulky Waste pickup weeks. A maximum of three (3) items will be collected each month. No electronic appliances containing CFC’s will be accepted (refrigerators, freezers, air conditioners, air conditioners). Additionally, refrigerators and freezer doors must be removed prior to collection.

- Carrying must be rolled into lengths of 4 feet or less, taped securely, and no wider than 1.6 inches.
- Large items must be of size that can easily be handled by two employees.
- All acceptable items include small furniture, bedding and mattresses, hot water tanks, and household appliances.
- Any item, such as a weed trimmer or small lawn mower, with an engine requiring oil and gas, must have those liquids removed prior to collection.
- Bulk item collection does not include air conditioners, microwave-emitting equipment, tires, and any regulated material covered by the New York State Equipment Recycling and Reuse Act, such as televisions and computers.

Household Hazardous Waste Collection

 Erie County hosts events in the spring and summer to provide residents with the opportunity to dispose of sound household hazardous materials. Please visit www.erie.gov/recycling or call (716) 858-6800 for more information.

- House and Garden Products: pesticides, fertilizers, pool chemicals, etc.
- Garage Products: automotive fluids such as motor oils, gasoline, antifreeze and brake & transmission fluids.
- Workshop/painting products: oil-based paints, paint strippers and thinners, spray paints, transmission fluids.
- Electronics: televisions and computers.
- Batteries: automotive, Alkaline, Ni-Cad.
- Shredded paper:
  - Lawn and garden
  - Computers

Frequently asked questions

I’m planning to clear out the garage and have a lot of refuse to get rid of right away. Where should I dispose it?

As a Lancaster resident, you can place your trash in your trash cart and use extra capacity stickers purchased from the Town for any bags outside the trash cart. Or the Bagster® Bag could be another solution. You can find the Bagster® Bag at any Home Depot, Lowes, or other local hardware stores. Once filled, call the Waste Management number on the package to get the Bagster® Bag collected. Be sure to use the $10 off coupon below for the collection of your Bagster® Bag for Lancaster residents!

Please visit TheBagster.com to learn more about the Bagster® Bag and what the collection charge is in your area.

Dear Lancaster resident, Waste Management looks forward to continuing to serve the residents of the Town of Lancaster to help your community be as clean and green as possible. We’d like to take this opportunity to provide you updated information related to your trash and recycling services.

For more information

Town of Lancaster: (716) 683-1610 Town website: www.lancasterny.gov/ Waste Management: (800) 972-4545

Thank you and we appreciate your cooperation.

Sincerely,

Waste Management

---

Great things happen when Lancaster residents use Recycle Often, Recycle Right®. When everyday items like those shown below are recycled, tons of raw materials, time, energy and money are saved. Plus the recycled materials become new products, and the cycle continues. Recycling not only conserves precious natural resources, it also helps to reduce costs by decreasing the amount of materials that end up in the landfill.

Cleaning and using the cart:

- Always keep the lid closed to keep rain, snow and animals out.
- Clean the cart periodically.
- Some automated waste collection requires clearance for the vehicle’s lifting mechanism, any cars parked at the curb should be at least 5 feet from the trash cart.
- Oiled or grease-covered objects and carts
- Small objects or loose items need to be bagged and securely closed together
- Place cart toward house
- Place cart toward house

The placement of the cart is very important as the collection vehicle’s lifting arms require clearance of at least 5 feet on both sides of the cart and 12 feet overhead. Carts should be no more than 3 feet away from the road edge, with the arrow facing the road and handles facing the house.

Carts should remain on the property at all times and are the property of the Town of Lancaster. Please do not take the containers with you if you move. You are encouraged to mark the inside of your cart with your property address. All carts should be labeled with your property address. Should your cart require repair, please call Waste Management at (800) 972-4545.

Recycling

Recycling not only conserves precious natural resources, it also helps to reduce costs by decreasing the amount of materials that end up in the landfill.

- Please make every attempt to fit all your recyclables inside your recycling cart. As a last resort, large cardboard may be broken down (no larger than 3 ft by 3 ft), flattened, and neatly placed next to the recycling cart.
- Do not bag your recyclables. Keep your recyclables loose inside of your recycling containers. As a last resort, large cardboard may be broken down (no larger than 3 ft by 3 ft), flattened, and neatly placed next to the recycling cart.

Recycling containers should be placed curbside every other week on the same day as your trash collection. Please refer to your municipal recycling schedule.

- See a list of all acceptable recyclables on the adjacent panel.

Leaf & Yard Waste

Leaf waste services will continue to be provided by the Town of Lancaster. Please refer to the Town website for more information and service schedules.

Holiday Schedule

When an observed national fall or winter collection day, collectors will be deployed on the first operating day following the observed holiday. Please note the application of additional penalty fees in the event of non-compliance with the schedule. For example, if Christmas Day is a holiday, Thursday’s normal collection will resume to Friday’s scheduled collection. The following holiday will result in delayed collections:

- New Year’s Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

To Learn More Visit: RecycleOftenRecycleRight.com

P.S. Don’t be afraid of occasionally light rain or snow. This is not an issue because the cart is designed with an integrated drainage system and will drain and dry out after any precipitation.
Bulky Waste

You may place your bulky items on the curb the 2nd full week of each month. Please see the Collection Calendar on the inside panel for Bulky Waste pickup weeks. A maximum of three (3) items will be collected each month.

No electronics or appliances containing CFC’s will be accepted (refrigerators, freezers, air conditioning, air conditioners, ceiling fans, microwaves, stoves, ovens, dehumidifiers) unless the CFC’s have been professionally removed and stickered as “Freon Removed.”

Additionally, refrigerators and freezer doors must be removed prior to collection.

- Carpeting must be rolled into lengths of 4 feet or less, taped securely, and no wider than 18 inches.
- Large items must be of size that can easily be handled by two employees.
- Additional acceptable items include small furniture, bedding and mattresses, hot water tanks, and household appliances.

- Any item, such as a weed trimmer or small lawn mower with an engine requiring oil and gas, must have those liquids removed prior to collection.
- Bulk item collection does not include air handling equipment, fume hoods, or any items larger than two feet or less, taped securely, and no wider than 18 inches.

Household Hazardous Waste Collection

Erie County hosts events in the spring and summer to provide residents with the opportunity to dispose of unused hazardous household materials. Please visit www.erie.gov/recycling or call (716) 858-6800 for more information.

- Automotive fluids such as motor oils, gasoline, antifreeze and brake & transmission fluids.
- Household Hazardous Waste.
- Garden Products - pesticides, fertilizers, pool chemicals, etc.
- Workshop/Painting Products - oil-based paints, paint strippers and thinners, spray paints, barium stain and other solvents.
- Latex paint, alkaline batteries, tires, electronic waste/televisions, transmission fluids.
- Oil-based paints, paint strippers and thinners, spray paints, barium stain and other solvents.

Think Green®
Dear Lancaster resident, Waste Management looks forward to continuing to serve the residents of the Town of Lancaster to help your community be as clean - and green - as possible. We’d like to take this opportunity to provide you updated information related to your trash and recycling services.

For more information
Town of Lancaster: (716) 683-1610
Town website: www.lancasterny.gov/
Waste Management: (800) 972-4545
Thank you and we appreciate your cooperation.
Sincerely, Waste Management

Schedule
Trash is collected weekly and recycling will be collected every other week Effective February 1st.

All materials should be placed at the curb by 6:00 a.m. on your collection day. Please see the 2019 Calendar on an adjacent panel that indicates special collection dates like yard waste and bulky waste.

Trash
All regular household trash must be bagged and placed in your 95-gallon town-provided cart for collection. Materials may not protrude from the cart and the lid must securely close.

Note: Do NOT place recyclables in the trash cart.
The following items will NOT be accepted in the trash cart:
• Household hazardous waste
• Construction/demolition debris
• Dirt, sod, concrete or rock

The placement of the cart is very important as the collection vehicle’s lifting arm requires clearance of at least 3 feet on both sides of the cart and 12 feet overhead. Carts should be no more than 2 feet away from the road edge, with the arrow facing the road and handles facing the house.

Carts should remain on the property at all times and are the property of the Town of Lancaster. Please do not take the containers with you if you move. You are encouraged to mark the cart with your property address. All carts should be identified with your property address. Should your cart require repair, please call Waste Management at (800) 972-4545.

Recycling
Recycling not only conserves precious natural resources, it also helps to reduce costs by decreasing the amount of materials that end up in the landfill.

• Please make every attempt to fit all your recyclables inside your recycling cart. As a last resort, large cardboard may be broken down (no larger than 3 ft by 3 ft), flattened, and neatly placed next to the recycling cart.

• Do NOT bag your recyclables. Keep your recyclables loose inside of your recycling containers.

• Please make every attempt to fit all your recyclables inside your recycling cart. As a last resort, large cardboard may be broken down (no larger than 3 ft by 3 ft), flattened, and neatly placed next to the recycling cart.

• Do NOT bag your recyclables. Keep your recyclables loose inside of your recycling containers.

• Do not put recyclables in plastic bags.

• Containers that held food should be rinsed free of food debris and liquid.

• Return all deposit containers at a local redemption center.

• Return all Arby’s containers to the container return box.

Note: Return all deposit containers at a local redemption center. 

Recycling services will now be collected every other week Effective February 1st.

Acceptable materials for curbside recycling include:
- Paper: Uncoated white paper and cardboard (Keep medical waste out of recycling. Place in safe disposal containers like Waste Management’s MedWaste Tracker® box.)
- Plastic Bottles & Containers Food & Beverage Cans
- Flattened Cardboard & Paperboard
- Food Waste (Compost instead!)
- NO Needles
- NO Foam Cups & Containers
- NO Plastic Bags & Film
- NO Plastic Film

Additional carts can be purchased by contacting the Town Supervisor’s office after June 1, 2019. There will be an additional fee of $10.00 payable to the Town, associated with additional cart purchase.

Recycling containers should be placed curbside every other week on the same day as your trash collection. Please refer to your recycling schedule on the Town’s Web site.

Leaf & Yard Waste
Yard waste services will continue to be provided by the Town of Lancaster.

Please refer to the Town website for more information and service schedules.

Great things happen when Lancaster residents use Recycle Often. Recycle Right®. When everyday items like those shown below are recycled, tons of raw materials, time, energy and money are saved. Plus the recycled materials become new products, and the cycle continues. For more information on all acceptable recycling materials, see a list of all acceptable recycling materials on the adjacent panel.

Note: Return all deposit containers at a local redemption center.

RECYCLE RIGHT. RECYCLE OFTEN.

THINK GREEN.

Good Cart Placement
- Always keep the lid closed to keep rain, snow and animals out.
- Clean the cart periodically.
- Stickers can be purchased at Town Hall for $5.00 each. After affixing the sticker to the extra bag, note: only non-food waste is permitted in Extra Capacity stickered bags.
- The following items will NOT be accepted in the trash cart:

Household hazardous waste
Construction/demolition debris
Dirt, sod, concrete or rock
- No additional carts will be available at the Town Hall for the 2019 recycling season. If you need additional cart capacity, please see a list of all acceptable recycling materials on the adjacent panel.

Care and use of the cart:

Trash

Trash is collected weekly and recycling will now be collected every other week Effective February 1st. All materials should be placed at the curb by 5:00 a.m. on your collection day. Please see the 2019 Calendar on an adjacent panel that indicates special collection dates like yard waste and bulky waste.

Recycling

The placement of the cart is very important as the collection vehicle’s lifting arm requires clearance of at least 3 feet on both sides of the cart and 12 feet overhead. Carts should be no more than 2 feet away from the road edge, with the arrow facing the road and facing the house.

Note: Do NOT place recyclables in the trash cart. The following items will NOT be accepted in the trash cart:

• Construction/demolition debris
• Household hazardous waste
• Hot ashes or flammable materials such as oil, gas or paint

Care and use of the cart:

- Always keep the lid closed to keep rain, snow and animals out.
- Clean the cart periodically.
- Store automated waste collection requires cleanliness for the vehicle’s lifting mechanism, any carts parked at the curb should at least 5 feet from the trash cart.
- Clean the cart periodically.
- Store automated waste collection requires cleanliness for the vehicle’s lifting mechanism, any carts parked at the curb should at least 5 feet from the trash cart.

Do not put recyclables in plastic bags.

Do NOT include in your mixed recycling cart:

• Damaged or crushed polystyrene
• Cardboard, paper and paper products
• Glass (bottles and jars)
• Plastic film
• Straw, wire, straws or straws
• Styrofoam

The following items will NOT be accepted in the trash cart:

• Construction/demolition debris
• Household hazardous waste
• Hot ashes or flammable materials such as oil, gas or paint

The placement of the cart is very important as the collection vehicle’s lifting arm requires clearance of at least 3 feet on both sides of the cart and 12 feet overhead. Carts should be no more than 2 feet away from the road edge, with the arrow facing the road and facing the house.

Note: Only non-food waste is permitted in Extra Capacity stickered bags.

Stickers can be purchased at Town Hall for $5.00 each. After affixing the sticker to the extra bag, you can place the excess garbage in 30 gallon bags and affix a sticker on each bag.

Note: Do NOT place recyclables in the trash cart.

Sticky tape may also be used on Extra Capacity stickered bags.

Acceptable materials for curbside recycling include:

• Paper
• Cardboard
• Mixed recyclables
• Rigid plastic
• Glass (bottles and jars)

Additional carts can be purchased by contacting the Town Supervisor’s office after June 1, 2019. There will be an annual fee of $103 payable to WM Intellectual Property Holdings, LLC. The extra cart purchase is a one-time fee. After affixing the sticker to the extra cart, you can place the extra bag next to your trash cart for collection. Any bags without the sticker will not be collected.

Note: only non-food waste is permitted in Extra Capacity stickered bags.

Curbside Recycling is collected weekly.

To Learn More Visit: RecyclingOnYourRight.org

Dear Lancaster resident,

Waste Management looks forward to continuing to serve the residents of the Town of Lancaster to help your community be as clean - and green - as possible. We’d like to take this opportunity to provide you updated information related to your trash and recycling services.

For more information

Town of Lancaster: (716) 683-1610
Town website: www.lancasterny.gov
Waste Management: (800) 972-4545

Thank you and we appreciate your cooperation.

Sincerely,

Waste Management

---

**Care and use of the cart:**

- Always keep the lid closed to keep rain, snow and animals out.
- Clean the cart periodically.
- Some automated waste collection requires clearance for the vehicle’s lifting mechanism, any cars parked at the curb should at least 5 feet from the trash cart.

**GOOD Cart Placement**

- Keep space between objects and carts.
- Place smallest cart space close together.
- Place smallest cart toward house.

**POOR Cart Placement**

- Objects and cart are too close together.
- Place wheels of cart toward house.
- Cart placement is very important as the collection vehicle’s lifting arm requires clearance for the vehicle’s lifting mechanism, any cars parked at the curb should at least 5 feet from the trash cart. Carts should be no more than 5 feet away from the road edge, with the arrow facing the road and handle facing the house.

Trash

- All regular household trash must be bagged and placed in your 96-gallon town-provided cart for collection. Materials may not protrude from the cart and the lid must securely close.

**Note:** Do NOT place recyclables in the trash cart.

The following items **WILL NOT** be accepted in the trash cart:

- Desk, bed, cupboards or rock
- Construction/demolition debris
- Household hazardous waste
- Hot ashes or flammable materials such as oil, gas, or paint

If you have any normal household garbage that is not recyclable and does not fit into your cart, you can place the excess garbage in 30 gallon bags and affix a **Sticker on each bag.**

**Stickers**

Stickers can be purchased at Town Hall for $5.00 each. After affixing the sticker to the extra bag, you can place the extra bag next to your trash cart for collection. Any bags without the sticker will not be collected.

Any bags without the sticker will not be collected.

**Note:** Only non-food waste is permitted in Extra Capacity stickered bags.

Stickers are required because Town Hall is a Self-Contained Collection System (SCCS). This helps to maintain the cleanliness and visibility of the street, as well as increasing the collection vehicle’s performance.

**Trash Schedule**

Trash is collected weekly and **recycling will be collected every other week Effective February 1st.**

- Materials may not protrude from the cart and the lid must securely close.
- Materials must not be in plastic bags.
- Carts should remain on the property at all times and are the property of the Town of Lancaster. Please do not take the containers with you if you move. You are encouraged to mark the city of your cart with your property address. All carts should be labeled with your property address. Should your cart require repair, please call Waste Management at (800) 972-4545.

**Recycling**

Recycling not only conserves precious natural resources, it also helps to reduce costs by decreasing the amount of materials that end up in the landfill.

- Please make every attempt to fit all your recyclable materials inside your recycling containers. As a last resort, large cardboard may be broken down (no larger than 3 ft by 3ft), flattened, and neatly placed next to the recycling cart.
- Do not bag your recyclables. Keep your recyclables loose inside your recycling cart.

**Recycling Containers**

Recycling containers should be placed curbside every other week on the same day as your trash collection.

**Acceptable materials for curbside recycling include:**

- Flattened Cardboard & Paperboard
- Plastic Bottles & Containers
- Plastic & Foam Products
- Food & Beverage Cans
- Paper
- Rattan, Wicker & Containers
- Metal Cans & Containers
- Glass Bottles & Containers
- Toys, Shoes, & Mattresses
- Clean Plastic or Metal film

**Note:** Do not include your mixed recycling cart.

- Do NOT include your mixed recycling cart.
- **NO** Food Waste
- **NO** Plastic Bottles & Foil Containers
- **NO** Foam Cups & Foil Containers
- **NO** Non-Recyclable Materials

**Leaf & Yard Waste**

- Yard Waste services will continue to be provided by the Town of Lancaster.
- We'd like to take this opportunity to provide you updated information related to your trash and recycling services.

- Please refer to the Town website for more information and service schedules.
- Leaf & yard waste services will now be collected every other week Effective February 1st. Please refer to the calendar for your recycling schedule.

- Leaf & Yard waste services will now be collected every other week Effective February 1st. Please refer to the calendar for your recycling schedule.
- Recycling not only conserves precious natural resources, it also helps to reduce costs by decreasing the amount of materials that end up in the landfill.
- Keep space between objects and carts.
- Place smallest cart space close together.
- Place smallest cart toward house.
- Good Cart Placement
- Poor Cart Placement
- Objects and cart are too close together.
- Place wheels of cart toward house.
- Cart placement is very important as the collection vehicle’s lifting arm requires clearance for the vehicle’s lifting mechanism, any cars parked at the curb should at least 5 feet from the trash cart.

---

**Good things happen when Lancaster residents use Recycle Often, Recycle Right®** When everyday items like those shown below are recycled, tons of raw materials, time, energy and money are saved. Plus the recycled materials become new products, and the cycle continues.

- Recycle all paper, box board, cardboard, plastics and metals.
- Return all deposit containers.
- Containers that held food should be cleaned free of food debris and liquid. Do not put recyclables in plastic bags.
- Acceptable materials for curbside recycling include:

  - All paper, box board, cardboard, plastic and metals
  - Containers that held food should be cleaned free of food debris and liquid
  - Do not put recyclables in plastic bags

---

**PLEASE NOTE**

- Additional carts can be purchased by contacting the Town Supervisor’s office after June 1, 2019. There will be an additional fee of $103 payable to the Town of Lancaster for non-refundable cart purchase.
- Additional carts can be purchased at Town Hall for $50 each. After affixing the sticker to the extra bag, you can place the extra bag next to your trash cart for collection. Any bags without the sticker will not be collected.

---

**Waste Management looks forward to continuing to service the residents of the Town of Lancaster to help your community be as clean - and green - as possible.**

**We’d like to take this opportunity to provide you updated information related to your trash and recycling services.**

---

**Thank you and we appreciate your cooperation.**

Bulky Waste

You may place your bulky items on the curb the 2nd full week of each month. Please see the Collection Calendar on the inside panel for Bulky Waste pickup weeks. A maximum of three (3) items will be collected each month.

No electronic appliances containing CFC's will be accepted (refrigerators, freezers, air conditioners, dehumidifiers) unless the CFC's have been professionally removed and stickered as “Freon Removed”. Additionally, refrigerator and freezer doors must be removed prior to collection.

- Carpeting must be rolled into lengths of 4 feet or less, taped securely, and no wider than 1.8 inches.
- Large items must be of size that can easily be handled by two employees.
- Additional acceptable items include: small furniture, bedding and mattresses, hot water tanks, and household appliances.
- Any item, such as a weed trimmer or small lawn mower with an engine requiring oil and gas, must have those liquids removed prior to collection.
- Bulk item collection does not include air conditioning, microwave-emitting equipment, tires, and any regulated material covered by the New York State Equipment Recycling and Reuse Act, such as televisions and computers.

Household Hazardous Waste Collection

Erie County hosts events in the spring and summer to provide residents with the opportunity to dispose of unused hazardous household materials. Please visit www.erie.gov/recycling or call (716) 858-6800 for more information.

Frequently asked questions

I’m planning to clean out the garage and have a lot of refuse to get rid of right away. Where should I dispose of it?

As a Lancaster resident, you can place your trash in your trash cart and use extra capacity stickers purchased from the Town for any bags outside the trash cart. Or the Bagster® Bag could be another solution. You can find the Bagster® Bag at any Home Depot, Lowes, or other local hardware store. Once filled, call the Waste Management number on the package to get the Bagster® Bag collected. Be sure to use the $10 off coupon below for the collection of your Bagster® Bag for Lancaster residents!

Please visit TheBagster.com to learn more about the Bagster® Bag and what the collection charge is in your area.
