SUPERVISOR.

WHEREAS, the Town Board of the Town of Lancaster, in the County
of Erie, New York (the “Town”) desires to undertake a capital improvements project primarily
along Partridge Walk within the Town;

NOW THEREFORE,
BE IT RESOLVED, by the Town (by the favorable vote of not less
than two-thirds of all the members of the Board) as follows:

SECTION 1. The Town is hereby authorized to undertake a capital
improvements project generally consisting of the reconstruction of and construction of
improvements primarily along Partridge Walk in the Town, such work to include, but not be
limited to, the construction of improvements to the sub-base and pavement section of the
roadway, underdrains and curbing, as well as other improvements as more fully identified in
(or contemplated by) a preliminary engineering report prepared by Wm. Schutt & Associates,
P.C., including all preliminary work and necessary equipment, materials and site work and any
preliminary costs and costs incidental thereto and in connection with the financing thereof
(collectively, the “Purpose”). The estimated maximum cost of the Purpose is $160,000.

SECTION 2. The Town Board plans to finance the estimated maximum
cost of the Purpose by the issuance of serial bonds in an aggregate principal amount not to
exceed $160,000 of the Town, hereby authorized to be issued therefore pursuant to the Local
Finance Law, such amount to be offset by any federal, state, county and/or local funds received.
Unless paid from other sources or charges, there shall annually be levied on all the taxable real
property of the Town a tax sufficient to pay the principal of and interest on such bonds or notes
as the same become due and payable.

SECTION 3. It is hereby determined that the Purpose is an object or
purpose described in subdivision 20(a) of paragraph (a) of Section 11.00 of the Local Finance
Law, and that the period of probable usefulness of the Purpose is five years.

SECTION 4. Current funds are not required to be provided prior to the
issuance of the bonds authorized by this resolution or any notes issued in anticipation of the
sale of such bonds.

SECTION 5. It is hereby determined the proposed maturity of the
obligations authorized by this resolution will not be in excess of five years.

SECTION 6. The faith and credit of the Town are hereby irrevocably
pledged for the payment of the principal of and interest on such bonds (and any bond
anticipation notes issued in anticipation of the sale of such bonds) as the same respectively
become due and payable. An annual appropriation will be made in each year sufficient to pay
the principal of and interest on such bonds or notes becoming due and payable in such year.
Unless paid from other sources or charges, there will annually be levied on all the taxable real
property of the Town a tax sufficient to pay the principal of and interest on such bonds or notes as the same become due and payable.

SECTION 7. Subject to the provisions of this resolution and of the Local Finance Law, and pursuant to the provisions of Section 21.00 relative to the authorization of the issuance of bonds with substantially level or declining annual debt service, Section 30.00 relative to the authorization of the issuance of bond anticipation notes and of Section 50.00, Sections 56.00 to 60.00, Section 62.00, Section 62.10, Section 63.00, and Section 164.00 of the Local Finance Law, the powers and duties of the Town Board pertaining or incidental to the sale and issuance of the obligations herein authorized, including but not limited to authorizing bond anticipation notes and prescribing the terms, form and contents and details as to the sale and issuance of the bonds herein authorized and of any bond anticipation notes issued in anticipation of said bonds, and the renewals of said notes, are hereby delegated to the Town Supervisor, the chief fiscal officer of the Town. Without in any way limiting the scope of the foregoing delegation of powers, the Town Supervisor, to the extent permitted by Section 58.00(f) of the Local Finance Law, is specifically authorized to accept bids submitted in electronic format for any bonds or notes of the Town.

SECTION 8. The temporary use of available funds of the Town, not immediately required for the purpose or purposes for which the same were borrowed, raised or otherwise created, is hereby authorized pursuant to Section 165.10 of the Local Finance Law, for the purpose or purposes described in Section 1 of this resolution. The Town then reasonably expects to reimburse any such expenditures (to the extent made after the date hereof or within 60 days prior to the earlier of (a) the date hereof or (b) the date of any earlier expression by the Town of its intent to reimburse such expenditures) with the proceeds of the bonds authorized by Section 2 of this resolution (or with the proceeds of any bond anticipation notes issued in anticipation of the sale of such bonds). This resolution shall constitute the declaration (or reaffirmation) of the Town’s “official intent” to reimburse the expenditures authorized by Section 2 hereof with such bond or note proceeds, as required by United States Treasury Regulations Section 1.150-2.

SECTION 9. The Town Supervisor is further authorized to take such actions and execute such documents as may be necessary to ensure the continued status of the interest on the bonds authorized by this resolution, and any notes issued in anticipation thereof, as excludable from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) and may designate the bonds authorized by this resolution, and any notes issued in anticipation thereof, as “qualified tax-exempt bonds” in accordance with Section 265(b)(3) of the Code.

SECTION 10. The Town Supervisor is further authorized to enter into a continuing disclosure agreement with the initial purchaser of the bonds or notes authorized by this resolution, containing provisions which are satisfactory to such purchaser in compliance with the provisions of Rule 15c2-12, promulgated by the Securities and Exchange Commission pursuant to the Securities Exchange Act of 1934.

SECTION 11. The Town Supervisor is further authorized to call in and redeem any outstanding obligations that were authorized hereunder (at such times and in such amounts and maturities as may be deemed appropriate after consultation with Town officials and the Town’s municipal advisor), to approve any related notice of redemption, and to take such actions and execute such documents as may be necessary to effectuate any such calls for redemption pursuant to Section 53.00 of the Local Finance Law, with the understanding that no such call for redemption will be made unless such notice of redemption shall have first been filed with the Town Clerk.

SECTION 12. The Town has determined that the Purpose will not have a significant effect on the environment and, therefore, no other determination or procedures under the State Environmental Quality Review Act (“SEQRA”) is required.

SECTION 13. In the absence or unavailability of the Town Supervisor, the Deputy Town Supervisor is hereby specifically authorized to exercise the powers delegated to the Town Supervisor in this resolution.
SECTION 14. The validity of such serial bonds or of any bond anticipation notes issued in anticipation of the sale of such serial bonds may be contested only if:

1. (a) such obligations were authorized for an object or purpose for which the Town is not authorized to expend money, or

(b) the provisions of the law which should be complied with as of the date of publication of this notice were not substantially complied with and an action, suit or proceeding contesting such validity is commenced within 20 days after the date of such publication of this notice, or

2. such obligations were authorized in violation of the provisions of the Constitution of New York.
