WHEREAS, the Town Board is considering a three (3) lot split-minor subdivision, submitted by Thomas Ferry, on a +/- 1.47 acre parcel, located at 272 Pavement Road SBL No. 105.11-2-16 in the Town of Lancaster, and

WHEREAS, the Town of Lancaster Planning Board has reviewed the environmental impact of this expansion project pursuant to SEQR regulations at their meeting on August 7, 2019 and recommended a Negative Declaration be issued, and

WHEREAS, the Town Board has duly considered the plans for the expansion project using the short Environmental Assessment Form, the criteria for determining significance set forth in 6 N.Y.C.R.R. § 617.7(c) of the State Environmental Quality Review Act (“SEQRA”) regulations, and such other information deemed appropriate, including the recommendation of the Town of Lancaster Planning Board; and

WHEREAS, the Town Board has identified the relevant areas of environmental concern, has taken a hard look at these areas, and has made a reasoned elaboration of the basis for its determination; and

WHEREAS, the proposed action has been labeled an “Unlisted” action under SEQRA.

NOW, THEREFORE,
BE IT RESOLVED by the Town Board of the Town of Lancaster that:

1. This project is described as subdividing an original lot into 3 residential parcels submitted by Thomas Ferry, on a +/- 1.47 acre parcel, located at 272 Pavement Road SBL No. 105.11-2-16 in the Town of Lancaster, will not result in any large and important impacts and, therefore, it is an action which will not have a significant adverse impact on the environment, and therefore the Board issues the attached negative declaration of environmental significance for the reasons stated therein.

2. The Town Clerk shall file a copy of the Negative Declaration in the file for the Project.

3. The Town Attorney's Office shall prepare and file a Notice of Determination of Non-Significance with the petitioner and with all required New York State and Erie County agencies, filing a copy of the letter of transmittal.

4. This resolution is effective immediately.

September 21, 2020
NEGATIVE DECLARATION
Determination of Non-Significance

Town of Lancaster Town Board

Dated: September 8, 2020

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town Board of the Town of Lancaster has reviewed the three (3) lot split-minor subdivision, submitted by Thomas Ferry, on a +/- 1.47 acre parcel, located at 272 Pavement Road SBL No. 105.11-2-16 in the Town of Lancaster, and the Town Board has determined that the Project will not have a significant adverse environmental impact and that a Draft Environmental Impact Statement will not be prepared.

Name of Action: Thomas Ferry 3 Lot Subdivision # 3665

Location of Action: 272 Pavement Road SBL No. 105.11-2-16 Lancaster, New York 14086, Erie County.

SEQR Status: Unlisted

Description of Action: Subdividing an original lot into 3 residential parcels

Reasons Supporting this Determination: Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations? No impact.
2. Will the proposed action result in a change in the use or intensity of use of land? No Impact.
3. Will the proposed action impair the character or quality of the existing community? No impact.
4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)? The Town of Lancaster has not established a Critical Environmental Area (CEA).
5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway? No impact.
6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities? No impact.
7. Will the proposed action impact existing:
   a. public/private water supplies? No impact.
   b. public/private wastewater treatment utilities? No impact.
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources? No impact.
9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora or fauna)? Impact is unclear. DEC question of two gas wells on site. Well is active. Wells will need to be abandoned, sealed and plugged.

WHEREAS, Thomas Ferry has applied for approval of a three (3) lot split-minor subdivision, on a +/- 1.47 acre parcel, located at 272 Pavement Road, (SBL# 105.11-2-16), in the Town of Lancaster, and

WHEREAS, the Plan for this project was submitted to the Planning Board and was recommended for approval at their August 19, 2020 meeting, and

WHEREAS, the Town, acting as lead agency had previously completed an environmental review in conformance with SEQR (State Environmental Quality Review) regulations and on August 19, 2019 a Negative Declaration was issued.

WHEREAS, the Town Board of the Town of Lancaster has duly reviewed and considered the proposed subdivision;

NOW, THEREFORE, 
BE IT RESOLVED, as follows:

1. That the Town Board of the Town of Lancaster hereby approves the proposed plan, dated June 20, 2019, for a three (3) lot split-minor subdivision, on a +/- 1.47 acre parcel, located at 272 Pavement Road, (SBL# 105.11-2-16), with the following conditions:

   a) The 3rd lot fronting on Pavement Rd. cannot be developed until all issues, including but not limited to, sight lines and vehicular safety, be resolved as determined by the Town of Lancaster Code Enforcement Officer and / or the Town Engineer, and then presented to the Planning Board for their approval. Other requirements would be that drainage meet or exceed Town standards, and that the well that sits on that lot be deemed safe or otherwise dormant.

   b) A deed restriction be placed upon the 3rd lot on Pavement Rd. and thusly recorded to reflect the condition above.

2. That the Town Clerk be and is hereby directed to properly endorse the approval of the Town Board of the Town of Lancaster on the copy of the deed and survey and to attend to the filing of the new 3-lots being created in the Erie County Clerk’s Office.

COUNCIL MEMBER, TO WIT:

WHEREAS, the Town Board is considering an 11,000+/- square foot additional permanent pavement driveway along the north side of the existing building and a parking area adjacent to the north side of the 2018 addition submitted by Kristin Savard of Advanced Design Group on behalf of Advanced Thermal Solutions, on a 3.2+/- acre parcel located at 15 Enterprise Drive, (SBL No. 105.00-3-4-1) in the Town of Lancaster; and

WHEREAS, the Town of Lancaster Planning Board has reviewed the environmental impact of this expansion project pursuant to SEQR regulations at their meeting on September 16, 2020 and recommended a Negative Declaration be issued; and

WHEREAS, the Town Board has duly considered the plans for the expansion project using the short Environmental Assessment Form, the criteria for determining significance set forth in 6 N.Y.C.R.R. § 617.7(c) of the State Environmental Quality Review Act (“SEQRA”) regulations, and such other information deemed appropriate, including the recommendation of the Town of Lancaster Planning Board; and

WHEREAS, the Town Board has identified the relevant areas of environmental concern, has taken a hard look at these areas, and has made a reasoned elaboration of the basis for its determination; and

WHEREAS, the proposed action has been labeled an “Unlisted” action under SEQRA.

NOW, THEREFORE,
BE IT RESOLVED by the Town Board of the Town of Lancaster that:

1. This project is described as an 11,000+/- square foot additional permanent pavement driveway along the north side of the existing Advanced Thermal Solutions building and a parking area adjacent to the north side of the 2018 addition, submitted by Kristin Savard of Advanced Design Group, on a 3.2+/- acre parcel located at 15 Enterprise Drive, (SBL No. 105.00-3-4-1) in the Town of Lancaster, will not result in any large and important impacts and, therefore, it is an action which will not have a significant adverse impact on the environment, and therefore the Board issues the attached negative declaration of environmental significance for the reasons stated therein.

2. The Town Clerk shall file a copy of the Negative Declaration in the file for the Project.

3. The Town Attorney's Office shall prepare and file a Notice of Determination of Non-Significance with the petitioner and with all required New York State and Erie County agencies, filing a copy of the letter of transmittal.

4. This resolution is effective immediately.

NEGATIVE DECLARATION
Determination of Non-Significance

Town of Lancaster Town Board                                Dated: September 21, 2020

This notice is issued pursuant to Part 617 of the implementing regulations pertaining to Article 8 (State Environmental Quality Review Act) of the Environmental Conservation Law.

The Town Board of the Town of Lancaster has reviewed the 11,000+/- square foot additional permanent pavement driveway along the north side of the existing building and a parking area adjacent to the north side of the 2018 addition submitted by Kristin Savard of Advanced Design Group, on a 3.2+/- acre parcel located at 15 Enterprise Drive, (SBL No. 105.00-3-4-1) in the Town of Lancaster, and the Town Board has determined that the Project will not have a significant adverse environmental impact and that a Draft Environmental Impact Statement will not be prepared.

**Name of Action:** Advanced Thermal Solutions – Project #8392

**Location of Action:** 15 Enterprise Drive, (SBL No. 105.00-3-4-1), Lancaster, New York 14086, Erie County.

**SEQR Status:** Unlisted

**Description of Action:** The project is described as an 11,000+/- square foot additional permanent pavement driveway and parking area.

**Reasons Supporting this Determination:** Potential environmental impacts associated with the Project were identified in the Environmental Assessment Form. The Town analyzed the project under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3). As indicated below based on each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment.

1. Will the proposed action create a material conflict with an adopted land use plan or zoning regulations? **No impact.**

2. Will the proposed action result in a change in the use or intensity of use of land? **No impact.**

3. Will the proposed action impair the character or quality of the existing community? **No impact.**

4. Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)? **The Town of Lancaster has not established a Critical Environmental Area (CEA).**

5. Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway? **No impact.**

6. Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities? **No impact.**

7. Will the proposed action impact existing:
   a. public/private water supplies? **No impact.**
   b. public/private wastewater treatment utilities? **No impact.**
8. Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources? **No impact.**

9. Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora or fauna)? **No impact.**

10. Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems? **No impact.**

11. Will the proposed action create a hazard to environmental resources or human health? **No impact.**
