This project is described as installing pole and wall signs that total 564.74 square feet.

THE FOLLOWING MOTION WAS OFFERED
BY MS. MONACELLI, WHO
MOVED ITS ADOPTION, SECONDED BY
CHAIRMAN SOJKA, TO WIT:

That the Zoning Board of Appeals has reviewed the potential environmental impacts associated with the Delta Sonic – Proposed signage matter identified in the Environmental Assessment Form, and, under the criteria for determining significance identified in 6 NYCRR § 617.7(c)(1) and in accordance with 6 NYCRR § 617.7(c)(2) and (3) for the reasons indicated below based on the discussion of each criterion specified in 6 NYCRR § 617.7(c)(1), the Project will not have a significant adverse impact on the environment and therefore issues a Negative Declaration.
REASONS SUPPORTING RECOMMENDATION

1. The proposed action will create a small material conflict with an adopted land use plan or zoning regulations.
2. The proposed action will not result in a change in the use or intensity of use of land.
3. The proposed action will not impair the character or quality of the existing community.
4. The Town of Lancaster has not established a Critical Environmental Area (CEA).
5. The proposed action will result in a small adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway.
6. The proposed action will not cause an increase in the use of energy or fail to incorporate reasonably available energy conservation or renewable energy opportunities.
7. The proposed action will not impact existing public/private water supplies or public/private wastewater treatment utilities.
8. The proposed action will not impair the character or quality of important historic, archaeological, architectural or aesthetic resources.
9. The proposed action will not result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora or fauna).
10. The proposed action will not result in an increase in the potential for erosion, flooding or drainage problems.
11. The proposed action will not create a hazard to environmental resources or human health.

The question of the adoption of the foregoing Negative Declaration was duly put to a vote which resulted as follows:
