

Compost at Home

*It's as easy as greens,
browns, water and air*

Interested in **composting** at home, but not sure where to start or need some help making your composting better? Join us Saturday **May 4, 2019** for a composting workshop where you can:

- Learn the basics & benefits of composting
- Talk about "the right mix"
- Learn about "rat-free" composting techniques
- Discuss how to keep invasive species out of your compost
- See different indoor & outdoor composting techniques and bins
- Ask the experts your questions
